

November 5, 2020

Dear Church Family,

What a year it has been! While none of us could have imagined what this year would hold, we are grateful that we are able to continue to be a church together. The important fact is that we have continued to gather for online and in-person worship, to reach out to the community, and to provide pastoral care. These ministries have remained even though our world has sometimes presented challenges.

Unfortunately, our giving has diminished over these past months; thankfully, some of our expenses also have decreased. A special thank you goes to Wilma Heller, Office Manager, and Richard Hoerger, Treasurer, for managing our resources so faithfully. We give our gratitude also to the Perpetual Fund trustees and to Michi Yochum for the excellent management of the renovation loan. As we prepare for next year, we have asked all committees to be as conservative as possible for 2021 without limiting their plans for our ministries.

Our 2021 stewardship motto is, "Learn to live in the freedom God created for you: to grow, to serve, and to follow God's call." The opportunity is available for you to pledge towards the Operating Fund, Renovation Budget, and Perpetual Endowment Fund. There are several ways to submit your 2021 commitment by Monday, November 30:

- ✠ Bring the enclosed commitment card to the church;
- ✠ Mail the commitment card to the church using the enclosed self-addressed envelope;
- ✠ Email the details of your pledge to the church office at [office@speedwaychristian.org](mailto:office@speedwaychristian.org).

This letter is more than just a request for funds. It is an opportunity for your family to reaffirm your commitment to God, to Speedway Christian Church, and to our ministry together. In doing so, we also renew our commitment to the Indiana region and general church ministries. With that said, would your family consider a 3% (or more) increase in your stewardship for the 2021 year? If so, we can expand and grow our ministries to do even greater things for God.

Your giving ensures that we will continue to provide ministry both to those within our congregation as well as those outside the walls of our church building. Thank you for sharing your gifts with our church community.

In anticipation of a fruitful 2021,

Leslie Condre
