

Your Amazon Stuff Will Add Up for the Church!

By David Shank, moderator

There's nothing you can't buy on Amazon and probably get it the next day. Whatta deal! Looking for a big screen TV – Amazon has it. Looking for a camera, Amazon has it. Have vacation plans and you need a collection of beach reading books or downloads – Amazon has them!

If you're in college or sending a kid off to campus Amazon has text books that can save you a bunch and dorm-room stuff will cost you less.

Why am I taking valuable space in the church newsletter to pitch Amazon? Simply, because now every purchase you make on Amazon means significant revenue for SCC. Your church has joined a program on Amazon called *Smile Amazon* with which every purchase you make, one-half of one percent of the total sale will be sent directly to us. That's not a big percentage for a single purchase but if all SCC members participate it can add up and add up quickly.

It's simple. All you have to do is log into www.smile.amazon.com and then you'll be asked what organization you wish to support as you scroll down the list and then highlight Speedway Christian Church. I know old habits are hard to break, but remember to log into www.smile.amazon.com and not the old Amazon address.

And what's really cool, is that when you come to the opening product page, look up at the upper left corner – it will say "(Your name) supporting Speedway Christian Church."

All you have to do is sign in and sign-up.

Thanks to Wilma in the office for taking the time to get the internal systems set up so we can take advantage of this program.

As the holidays approach remember that every goofy Halloween mask you buy on smile.Amazon, means more money we can use to continue our Mission as church.
