

Opportunity Day families we have a project for you!

We are going to collect caps to earn a Buddy Bench for the play space outside the church. What is a Buddy Bench? It is a special bench to help children communicate that they need a buddy to play with. When a child is lonely, they are to come sit on the bench and that is a signal for the other kids to include them in their playtime. Please see the attached picture below to see what is accepted and what is not. The Speedway Christian Church Youth Group will be helping us sort and weigh the lids. We need 250 pounds of caps! We will have a marked container in the entrance foyer that you and your child can drop the lids! Please make sure to only donate the appropriate caps. Also, please only put plastic caps into the box, no bags! Our goal is to have the Buddy Bench by end of this school year.

See below for acceptable plastic caps & lids.
